Delton Kellogg's band was selected for the honor to march in this year's Pearl Harbor Memorial Parade in Hawaii in December... but they need your help to get there! Join the Barry Community Foundation Youth Advisory Council on September 30 for a *delicious breakfast* at the Moose to help the band reach their fundraising goal!

What is YAC?: The Youth Advisory Council (YAC) is a program of the Barry Community Foundation, open to all teenagers ages 13 and up in Barry County. YAC offers students leadership and community service opportunities, and advises the Foundation board on the award of grants from the YAC Fund. If you know a student interested in joining, contact Sarah Alden at (269) 945-0526 or sarah@barrycf.org.
