

**Delton Kellogg Schools
Delton, Michigan
Present a Leadership Opportunity**

The Delton Kellogg Schools is seeking a successful leader to fill its position of Superintendent of Schools. The School District is located in southwest Barry County, on M-43, in convenient driving distance to the metro areas of Battle Creek, Kalamazoo and Grand Rapids. The community of Delton and the school district are surrounded by many inland lakes and recreational areas that support the serene quality of life of the community. The school district has a rich history of student achievement and a tradition of outstanding athletic teams and co-curricular activities. In addition to the local programs, the district is provided additional services by the Calhoun ISD Career Center and the Battle Creek Math and Science Center. The 1300 students are provided updated facilities on one campus adjacent to Crooked Lake, with a staff of 151 and a very supportive community. The 2016-2017 general fund budget is 12 million dollars in support of the district's programs. Additional information can be found on the district website @ www.dkschools.org.
